16th Annual Faculty Scholarship Celebration

October 22-26, 2018
Please join us for the

16th Annual Faculty Scholarship Celebration, to be held in the Todd Multipurpose Room during the week of October 22–26, 2018.

This celebration will feature displays and presentations of scholarly and creative works published or delivered by Norwich faculty within the previous year.

A catered opening reception will be held Monday, October 22, 4:30 p.m.–6:00 p.m.

And, to cap this year’s celebration, on Friday, October 26, 12:00 p.m.–1:00 p.m., the Library Committee will recognize the exceptional research of two of our colleagues by inviting them to share their projects. The two talks, one in the Science/Technical category and the other in Liberal Arts/Humanities, will be enjoyed over a light luncheon and coffee provided by The Friends of the Kreitzberg Library.

For this session Dr. Richard K. Dunn, Charles Dana Professor of Geology, will share “In Search of the Ancient ‘Solomonic’ Harbor of Jaffa, Israel,” while Dr. Aimee Vieira, Associate Professor of Sociology, will speak about the methodological challenges of “Counting Anglophones in Quebec.”

The Faculty Scholarship Celebration display in the Multipurpose Room will remain open for an additional hour following the Invited Talks for browsing and mingling over coffee and cider.
